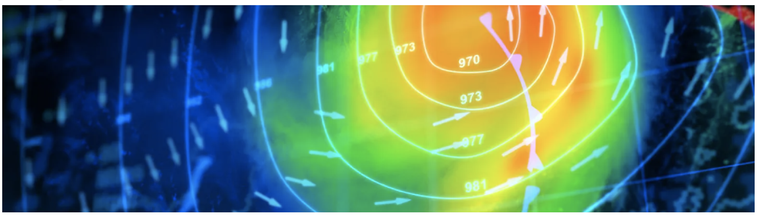
Model run: Jan 01 8am -10 (Jan 01 18 UTC)

Today's Prediction



The perfect combination of gentle wind and clear skies creates ideal conditions for surfing and swimming. Take advantage of the waves and have a wonderful time in the water. Safety should always come first, so be sure to follow any local regulations and stay hydrated. Don't forget to apply sunscreen if you'll be out in the sun for a while. Enjoy your day spent by the water!

ABOUT US

The Smart Beach Project, spearheaded by the Nuclear InnovationInstitute's Municipal Innovation Council (MIC) in collaboration with localstakeholders, aims to revolutionize beach safety in Kincardine, Ontario.The initiative comes in response to a community-driven desire toenhance safety at Station Beach, which has experienced unfortunateincidents over the past decade. The Smart Beach Project holds immenseimportance for Kincardine as it strives to provide beachgoers with real-time information on water conditions, thus significantly improving safetyat Station Beach
